Are your Managers coaching for success?

Real improvements in performance and productivity come from knowing how to coach your people.

Symptoms
- A focus on problems not solutions
- Goals not being met
- Poor performance
- Deadlines missed
- Expectations not met
- No motivation
- High staff turnover
- Lack of interest
- Minimal trust
- Resistance to change

The Cure
- Understand why coaching improves productivity
- Understanding when you should coach
- Focusing on coaching for solutions
- The journey from awareness to responsibility to results
- Coaching is about encouraging change
- Coaching conversations for success
- Tools and techniques to enhance coaching
- Practice putting it all together

The Solution

A carefully created program from Flexible Business Learning is the solution
